ORDER:

The Government of India has set up Unique Identification Authority of India (UIDAI) with the mandate to issue Unique Identification Numbers to all residents in the country. The State Government has entered into MoU with the UIDAI for providing unique ID to all eligible residents of Andhra Pradesh.

2. The Government has appointed the Food & Civil Supplies Department as Registrar for UID project in respect of the districts of Adilabad, Rangareddy, Hyderabad, East Godavari, Srikakulam, Ananthapur and Chittoor districts and the enrolment process has already commenced.

3. Subsequently, certain Banks and other institutions, empanelled as Registrars with UIDAI under the Multi Registrar Model, initiated enrolling for UID in the remaining 16 districts of the State as a mandate for financial inclusion. These agencies covered the mandals and districts partially, broadly following their branch network. With a view to rollout the enrolment of Aadhaar in the entire state and to cover all the contiguous villages and mandals in the districts, the Government earmarked geographical area of operation for enrolment by different Registrars with in the purview of UIDAI guidelines. The State Government have envisaged to complete the entire enrolment in the state by 31st March, 2012.

4. The UIDAI is extending support - both advisory and financial, to the State Government for the purpose of usage and applicability of UID number for delivery of various services. The UIDAI is supporting the cost of integration of the software including procurement of hardware and software, engaging of consultants who will advise the departments as to how the systems should be integrated so as to ensure standardization of the data elements, collation and correlation of the databases, collection of additional data fields, seeding their data bases with Aadhaar Numbers and migration of the existing databases into the modified database structure. The UIDAI would provide Rs.10 crore towards the cost of integration of state level applications with that of UIDAI (@Rs.2 crore each for five state level applications).

P.T.O.

5. Up-gradation of ICT infrastructure for making the systems UID-complaint setting of infrastructure at the Validation/Authentication / Amendment centres and ICT infrastructure requirements along with the points mentioned in para 4 above are to be dealt centrally by a nodal department for undertaking the ICT activities.

6. Government after careful examination of above needs, hereby designate Information Technology & Communication (IT&C) Department as Nodal Department for undertaking the ICT activities. The IT&C department shall be responsible for making the systems UID- compliant, ensure standardization of the data elements, collation and correlation of the databases, collection of additional data fields, seeding the data bases with Aadhaar Numbers and migration of the existing databases into the modified database structure, Training of personnel, upgrading the Hardware and Software and setting of infrastructure at the Validation/ Authentication/ Amendment centres. Nodal Department shall also be responsible to create, maintain and update central master database of all social sector schemes. Funds required for these activities will be provided from out of the UIDAI funds.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
